New for September 2021

We are very excited to announce that Cork City Music College will be offering music tuition in Rockboro Primary School starting Thursday September 23rd. We will be offering tuition in our very popular Music Bug Club programme, which is available to senior-infant and first-class students. This class will be held immediately after school on Thursdays from 2.55pm. There will also be classes available on piano, violin, ukulele, guitar and recorder during the school day.

Please see our website at www.ccmc.ie for further details including pricelists for our classes, locations of CCMC, and range and availability of instrumental classes.

MUSIC BUG CLUB CLASSES

Our aim is to introduce your child to music, probably one of the most rewarding experiences of his/her life, in a fun way. The children are encouraged to enjoy and appreciate music making in a non-competitive, non-pressurised way. The main objectives are to develop your child's aural skills and prepare him/her for a life of instrumental playing & singing. The recorder is suitable for little fingers and progress is usually swift enough to give a good sense of satisfaction and achievement. It is inexpensive and the child's interest can be assessed without the outlay of a costly instrument.

Rockboro Primary School

ENROLMENT

www.ccmc.ie

Please enrol through our website www.ccmc.ie. Click on the 'Book Online' icon on the homepage to access our booking form. A €50 deposit is required on booking. This deposit is non-refundable and non-transferable and will be deducted from the second semester fee. Please ensure you have read our enrolment policy which is available on our website.

For 2021-2022, there will a maximum of **six** students in each MBC class and due to the fact that all places are filled on a first-come, first-served basis, we would advise you to book early to avoid disappointment. If a place is unavailable, deposits will be refunded.

All correspondence in relation to MBC classes must go through the office of CCMC and not the primary-school office.

COVID-19

Due to the Covid-19 pandemic, all Music Bug Club classes will have a maximum of six children per class to facilitate social distancing. Time will be allocated between classes for cleaning and sanitising, and social distancing. The extra time allocated between classes will ensure there is adequate time given for one class to pack up and exit the classroom in advance of the arrival of students from the next class. It is therefore imperative that children are collected promptly at the end of class time to allow for this social distancing to be maintained.

Students must ensure that they have the materials required for class as teachers cannot provide temporary replacements or allow for sharing of equipment. All materials for class must be labeled clearly.

ONLINE MBC CLASSES

For children who are unable to attend MBC in their own school or another centre, or for vulnerable children, we also offer the option of an online MBC class. The course content is the same except the class is done through the medium of video conferencing software such as Zoom. Please see our website for our policy relating to online classes.
