Dear Parents,

My name is Mrs Lewis, and I am the after school Arts & Crafts Teacher for the Boys and Girls of Rockboro Primary School.

Classes are ten weeks a session and cost €110.00 including the Children's own materials hence (Covid-19 Restrictions). The first ten weeks will be a mixture of various drawings, cut out paper shapes and stencils for boys and girls.

Paper Cuttings, colouring, sticking, gluing, and using different materials. We will be face painting paper faces and older children will be given a paper body model to design his or her own costume.

There will be plenty of different outline clothing and models to colour in or to use different media to create texture. One off pieces such as a hat or mask are often created by children of all ages, clay work is also used for the child that enjoys working in 3D form.

Plenty of drawing, painting, colouring, papier Mache, collage, is also part of the art classes as well as knitting and crochet.
